Title: Capacitor Fabrication Methods and Capacitor Constructions

STATEMENT OF THE SUBSTANCE OF AN INTERVIEW

Initially, Applicant's attorney, James E. Lake, spoke with Examiner Toniae Thomas by telephone on May 12, 2005 and requested a replacement Office Action addressing the grounds for traversal raised in the Applicant's Response to January 13, 2005 Office Action. In a May 17, 2005 voice message for James Lake, Examiner Thomas agreed to provide the replacement Office Action. Subsequently, Examiner Thomas reconsidered and proposed withdrawing the restriction requirement in favor of an amendment to place the claims in condition for allowance. The Applicant authorized the Examiner's proposed amendment. The amendment made to claims 32, 34, 36, 38, 40, 42, 45, and 47 in the September 15, 2005 Notice of Allowability matches the authorized amendment.

Respectfully submitted,
